

Application/Control Number: 09/757,454
Art Unit: 2654

Docket No.: 2000-0163

REMARKS

Reconsideration and allowance are requested. Claims 1 - 16 are pending in the present application. Claims 6 and 15 are amended as suggested by the Examiner to include all the limitations of the base claims and any intervening claims. The remaining claims are cancelled. Applicants respectfully submit that these claims are allowable. Inasmuch as these amendments merely make independent these dependent claims, Applicants submit that these amendments do not narrow the scope of the claims and are not made for patentability.

CONCLUSION

Having addressed the issues raised by the Examiner, Applicants respectfully submit that the subject application is in condition for allowance and a Notice to that effect is earnestly solicited.

Respectfully submitted,

By:
